Our ministry is financially supported by a team of individuals, families, and churches who have joined us in accomplishing our God-given work for His glory and His church.

June proved to be another great, crazy month of language learning. Additionally, **we're learning some valuable cultural lessons** that will help us for many years to come. With **only six weeks before we move to Panamá**, our journey toward perfection in language fluency and cultural understanding is still several years away, but great strides have been made.

"Do the Lord's work, the Lord's way, for the Lord's glory." We have turned those words which Ray Ortlund Jr. spoke during Spiritual Emphasis Week at the language school into our prayer. We are quite ordinary; God is quite extraordinary. If we depend on Him, He can accomplish great things in ways for which only He can get the glory. Therefore, **please pray we will continually depend upon the Lord.**

We realize the road ahead will not be easy. We'd be naive to think otherwise. Therefore, we are praying, **"that we may know what is the immeasurable greatness of His power toward us who believe, according to the working of His great might that He worked in Christ when He raised Him from dead ..."** (Ephesians 1:18-20).

Since May you have been **praying with us for the funds to buy the right ministry vehicle** once we move to Panamá. The Lord is providing through the generosity of His people, and **we now have \$14,545 toward a vehicle!** We are learning not to be surprised at what the Lord does, but we do continue to be amazed.

We are forever grateful that you keep up with this ministry. Thank you for your prayers!
