The Gospel Changes Everything

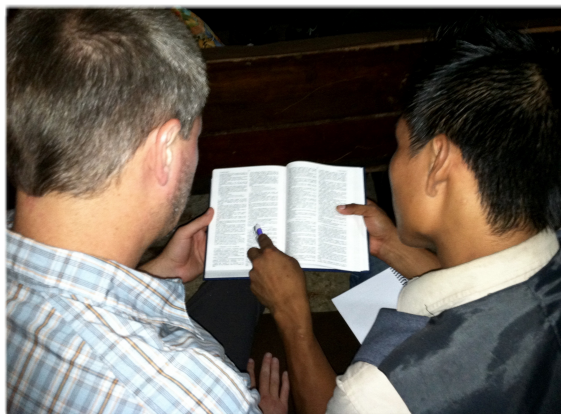

Can you envision followers of Christ who are **intentional and strategic** in how they live? Can you imagine followers of Christ who simply **trust and obey Jesus** and teach others to do the same? Wow! Talk about changed lives and a changed world.

Jesus envisioned this. He expressed it in His command to make disciples of all nations. **The gospel changes everything.** It's not an easy command, but it is simple.

It is the command to **make disciples of all nations** that fuels our vision — *we will see pastors guiding God's people in gospel-centered discipleship, so that God's people are multiplying in their communities and around the world.*

Imagine pastors who know God's Word, who trust and obey Jesus in every area of their lives, and then teach their families and churches to do the same. Would it make a difference? Absolutely! Why? Because the gospel changes everything!

Thank you for keeping up and for praying for us and our ministry. Your prayers are vital to our ministry.

Ministry Update

We have exciting news! God is providing for our ministry in ways that continue to amaze us. **We currently have 71% of the support we need.** In addition, thanks to many of you, **we have the funds to pay for the tuition, fees, and travel associated with language school.** We cannot explain it, except to say, "God is doing it!"

We have to make a decision by July 3 as to whether we will go to language school in August 2015 for the fall semester or wait until the spring semester in January 2016. Pray that we have the wisdom and faith to make the right decision.

Prayer Requests

Pray that our family will be spiritually healthy and Christ-centered | Pray that Isaac will be saved as soon as he is able to understand the gospel | Pray for the pastors whom we will one day teach and disciple | Pray that we will quickly and effectively learn Spanish
