*Teaching pastors and leaders with Russ Turner in Piriati, Panama*

## Overjoyed

God has greatly used Russ and Lynn Turner to encourage and teach the believers in Piriati (as well as many other places.) On a trip to Panama in February, Russ visited the believers in Piriati.

In a recent email, he wrote that they had asked about me (Clip), and that they were overjoyed that Mary, Isaac, and I are coming to Panama.

We're sure you can imagine how excited that made us! We're overjoyed to be able to build relationships with believers around the world. It's a great privilege to share the gospel, provide biblical and theological training to pastors, and make disciples who make disciples.

## Prayer Requests

God is teaching us the importance and privilege of prayer. You are receiving this letter because you also understand the importance of prayer. We want you to know that we thank God for each of you, and we value your prayers for us.

We want to share some specific ways you can be praying, along with us, over the coming months:

- Pray that we will find our joy and satisfaction in Christ.
- Pray that we will be godly parents to Isaac. Pray that we will teach him the gospel with our words and our actions.
- Pray that we will work hard to learn the Spanish language, and that God will graciously give us a great ability to understand and speak it.
- Pray that we will adjust to different cultural situations and be able to make "home" wherever we may happen to be.

There's so much we could ask you to pray about for us, and we imagine we'll be sharing more and more in our prayer letters over time.

Please know that we are committed to take the time to pray for you as well.

We are excited and thankful to be a part of our sending church's Missions Conference this year. It's crazy to think about, but both of us have been a part of at least 25 Missions Conferences at Mile Straight. So we have to admit - it is amazing that we get to be involved this year as missionaries. God's awesome!

## Family News

Isaac turns three this month! He's so much fun and brings so much joy to our lives.

He's excited about going to Costa Rica to learn Spanish. He just wants to take his pirate ship with him. Guess what? We'll be taking a pirate ship to Costa Rica.
