Teaching & Preaching at Iglesia de La Gracia

We were able to spend 4 Sundays with the people at Iglesia de La Gracia. Their pastor had to return to the States due to his sister's illness and eventual death. Please pray for the pastor and his family, for the believers in this church (it is difficult for any church to be without their pastor), and please pray for Rodolfo (pictured right), the deacon of the church, as he leads the church during their pastor's absence.

Praise: Mary's Visa

We had to make a short, unplanned trip to the United States related to Mary's visa process. Long story short - we had to re-submit Mary's fingerprints to the FBI for the fourth time.

Praise the Lord! Her fingerprints were accepted and her report came back clear on March 29. She's good to go!

Prayer Request: Car Documents

Please continue to pray that we will receive our car documents soon. Our good friend, Ricky, who is an attorney, is helping us. He said he is working on this as if it were his car.

We are not worried about this, and we know the Lord is in control and has a plan. As much as we want the documents, please pray for the Lord's will and that we will be a great testimony through this situation.

Looking Ahead: Teaching Seminars

Clip will be traveling to Guna Yala April 4-11, with Russ Turner and Pedro Solís to do teaching in two different locations.

We will be returning to Rio Indio April 30 - May 5, in order to teach another seminar.

We will be meeting with other pastors in May to see how we may be a help to them.

Thank you for your continued prayers and partnership in the gospel!
