Special Prayer Requests

As many of you know, Panamá still has a national quarantine every weekend. Our hope is that it will be lifted by March, so **please pray for God's will concerning the quarantine**. In the meantime, we continue to use Zoom for our Sunday services and our Bible studies.

It is clear to us that there would be many benefits if IBCV had its own place to use seven days a week. On Saturday, January 30, Clip had a video call with one of the major developers of Costa Verde. This man, Juan Carlos, said he would talk to all of the developers in Costa Verde, so that we can be better informed about property. We hope to have more information soon.

Please pray that God would provide some land or a space in a local shopping center for the church. We know from both God's Word and from experience that nothing is impossible with God. We are doing what we know to do in order to be well-informed and to find a place to meet for the long term, and it is exciting to watch and wait and see what God will do. If He provides a place for our church, it will be extremely evident that He is the One who provided.

Finally, **please pray that we will have wisdom to know what to do concerning meeting in the short term once the quarantine is lifted** while we look and wait for a long-term solution. We trust that God has a solution for this need as well.

If you would like to see some photos of the area and the shopping center you can visit thesuddethfamily.com and go to the February 2021 newsletter. You can also visit costaverde.com.pa to get a better knowledge of the area where IBCV is located.

Thank you so much for your prayers! We truly look forward to seeing how God answers the prayers of His people.

Prayer Requests & Praises

- We continue to be thankful for the number of people who are attending both the Sunday services of IBCV and the Bible study/membership class we have during the week. There is a lot of participation, and they always ask some very good questions.
- Please pray for several neighbors with whom we are building relationships and sharing the gospel.
- Please pray that the leaders in the Panamanian government will make decisions that are in the best interest of the Panamanian people and the country.
- Please pray that the Word of God would go forth in Costa Verde and that many people would put their trust in the Lord.
