Messenger Audio Bibles Given to 14 Families

We were able to give every family in the Wounaan community of San Antonio an audio Bible. These devices contain the whole Bible in Spanish. They are also solar powered, which is nice considering there is no electricity in the community. Please pray for God's Word to bear fruit in this community, and please pray for us as we, along with others from our church here, continue to go to San Antonio once a month to teach God's Word and spend time with the people there. Here are a few photos:

Celebrating Changed Lives!

Ashley and Carlos have been attending our church for a few months. Neither of them have a Christian background, but they have recently been saved and are growing in their faith. On January 22, they were married!

Left: Isaac reading a space book as he patiently waits. (The wedding started three hours late!)

Right: Nelson performing the ceremony as Ashley and Carlos exchange vows.

Prayer Requests

We know that many of you pray for us and the ministry here, and we are very thankful for your prayers. As we humbly share the following prayer requests with you, please remember that we are also praying for you. In our six-and-a-half years on the mission field, we are constantly reminded that there is a lot we still need to learn, and there are some things we cannot do. However, we always have the privilege of prayer. And, as you know, God can do far more than we can ask or think. In prayer, we have an incredible resource.

- Please continue to pray that we, as a family, will have spiritual, emotional, and physical strength. We desire to remain faithful to the Lord with steadfast purpose (Acts 11:23).
- Please continue to pray that, if it is God's will, we will find a space that we, as a church, can use throughout the week for Bible studies, meetings, and various ministry opportunities.
- Please pray that we will look for, and take advantage of, every opportunity we have to share the gospel and make disciples in our area.
- Please pray that we will have wisdom about future church plants. We know that we cannot do everything, but we do want to make the most of each opportunity presented to us.
- As our church grows, there are more opportunities for ministry and activities. As these opportunities arise, please pray that our church will have the wisdom to make good decisions about what to do and what not to do. We do not want to be busy for the sake of being busy. Our desire is to encourage and equip the believers here to serve the kingdom of God in the course of their daily lives at home, school, work, free time, etc.

Once again, thank you for praying for us and with us!
